A photograph of a family sitting on a green beanbag chair. A woman is holding a young child, and both are looking at an open book. A man is sitting next to them, also reading a book. In the background, another child is sitting on the chair. A bookshelf with various books is visible on the left side of the frame.

WE KNOW HOW TO COZY

Winter is here, and it's time to bring IN the play. So grab the board games, books and play sets. (Emergency grocery run? That's when that new car seat will come in handy.) And when the kiddos go to bed, then it's time for YOU to play—whether it's gaming, reading or, well, just going to bed early. Because indoor playtime is fun, but EXHAUSTING. Amirite?
